

## Be part of Birmingham Family Hubs' 'Family Voices for Edgbaston'

Doddington Children's Centre, Doddington Rd  
Bartley Green, B32 4EL

**Tuesday 21st May - 1.00pm until 2.30pm**

We want local residents to make sure that Family Hubs are designed to meet the needs of their local area.

The Edgbaston Family Voices will be a group of parents and carers who will shape the services and support in your local Family Hub, particularly in relation to the 'Best Start for Life', first 1001 days of a child's life.

Come join us and help to decide what happens in your Family Hub.
