

Supporting children with Down Syndrome in Early Years settings and Primary schools

Early Years Inclusion Support Early Support Service

Overview:

The training day will be delivered by an Educational Psychologist and teachers from the Early Years Inclusion Service in Birmingham who will share a psychological and educational perspective on the key developmental profile for children with Down Syndrome. Over the training day the course will share knowledge and evidenced based recommendations for the most effective teaching and learning approaches for children with Down Syndrome in your early years setting and schools.

Who is it for?

This course is suitable for early years and school staff, SENCOs, class teachers and teaching assistants in PVI settings, mainstream and special primary schools.

Outcomes:

An improved understanding and confidence in your practice about the specific developmental profile and needs of children with Down Syndrome including - communication needs, play based learning, early literacy and numeracy skills, behaviour support and medical considerations.

Date: Tuesday 5th November 2024

Time: 9:30am-3:30pm

Cost: £ 270 per participant. Reducing to £210 if there are 2 or more who attend from the same school or setting.

Venue: Oakhill Education Centre, 31 Meadow Road, Birmingham, B17 8BB (parking is free and plentiful).
